COMMBOX **LED BOARD**

LED DISPLAY

COMMBOX **LED BOARD 16:9**

120" | 138" | 150" | 165" | 180" | 220"

LeadingEdge INNOVATIONS

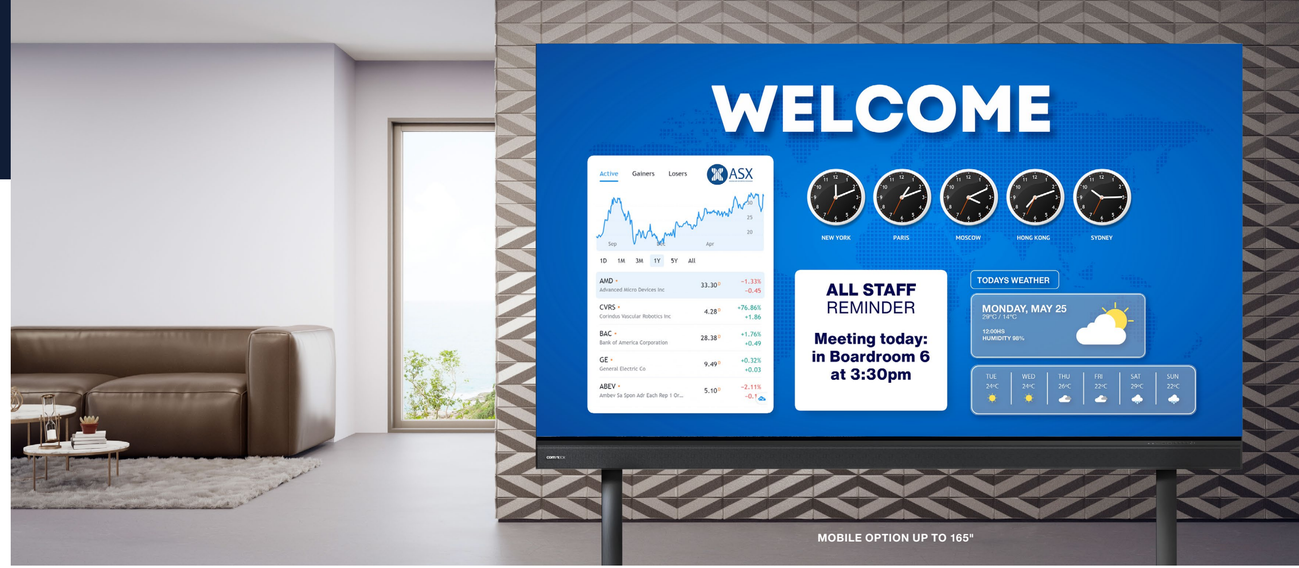
CommBox LED Board 16:9 is perfect for boardrooms, meeting rooms, command centres, halls, auditoriums and retail environments. In fact, anywhere a large screen is needed.

KEY FEATURES

- All-in-one fixed sizes 120" – 220".
- Perfect with Microsoft Teams Rooms, Zoom etc.
- Create maximum impact as you deliver your presentation.
- Display single or multiple content at once.
- Display or schedule welcome messages, videos, images, emergency announcements.
- Easy installation - wall mount, hang or mobile stand available.
- Show critical information helping your teams respond quickly and accurately to complex emergency situations.
- Get access to IP cameras and interact with video management systems.

SPECS

- 3-year on-site swap out warranty with optional 4-5 year
- Open cooling design (fan-less) for noiseless performance
- Built in audio and external output
- Slim design (31mm deep) and narrow bezel
- Super bright 550 Nits
- High quality display with 2K & 4K resolution



LED DISPLAY

COMMBOX **LED BOARD 21:9**

132" | 181" | 209"

LeadingEdge INNOVATIONS

CommBox LED Board 21:9 is designed for Microsoft Teams Front Row layout. The CommBox LED Board 21:9 provides a truly immersive experience.

KEY FEATURES

- All-in-one fixed sizes 132", 181", 209".
- Perfect with Microsoft Teams Rooms, Zoom etc.
- Create maximum impact as you deliver your presentation.
- Display single or multiple content at once.
- Display or schedule welcome messages, videos, images, emergency announcements.
- Easy installation - wall mount or hang available.
- Show critical information helping your teams respond quickly and accurately to complex emergency situations.
- Get access to IP cameras and interact with video management systems.

SPECS

- 3-year on-site swap out warranty with optional 4-5 year
- Open cooling design (fan-less) for noiseless performance
- Built in audio and external output
- Slim design (31mm deep) and narrow bezel
- Super bright 550 Nits
- High quality display

COMMBOX **LED BOARD 32:9**

199" | 249" | 299"

LeadingEdge INNOVATIONS

CommBox LED Board 32:9 is perfect for large meeting spaces where it is critical to see both content and far end participants.

KEY FEATURES

- All-in-one fixed sizes 199", 249", 299".
- Perfect with Microsoft Teams Rooms, Zoom etc.
- Create maximum impact as you deliver your presentation.
- Display single or multiple content at once.
- Display or schedule welcome messages, videos, images, emergency announcements.
- Easy installation - wall mount or hang available.
